MCINTOSH

TIP TRAILER

4.5 - 20 TONNE

McIntosh Tip Trailers are built tough and stable, handling heavy loads in challenging conditions with ease.

With exceptional tonnage ratings and rugged construction, our tip trailers are **built to last**. The high tipping angle and versatile configurations make them indispensable for farms and contractors. McIntosh chassis are strong and adaptable, built to handle gravel, dirt, baleage, and other materials. Optional extras allow you to customise each trailer to suit your specific needs.

STANDARD FEATURES

Strong flexible hinge system on fold down sides

Fully welded side's and floor

Optional swinging tailgate with forward-facing hook, no pin to hit in

Strong sides for rock and digger impact

We stand behind every machine we build. All McIntosh products are backed by a 2-year manufacturer's warranty against defects in materials or workmanship, provided the machine has been serviced and has not been subject to misuse or operated outside its intended specifications. These terms are subject to change without notice. Full warranty terms are available by scanning the QR code.
